

**JOURNAL OF INFORMATION SYSTEMS &
OPERATIONS MANAGEMENT**

**Vol. 5 No. 2
December 2011**

**EDITURA UNIVERSITARĂ
București**

Statement of Purpose

The **JOURNAL OF INFORMATION SYSTEMS & OPERATION MANAGEMENT (ISSN 1843-4711; IDB indexation: ProQuest, REPEC, QBE, COPERNICUS)**, published two times annually by the Romanian American University, is specialized in IT domains. The articles published apply to the scientists, researchers and users of IT (field), interested in enlarging the knowledge horizon with specialty notions, new work papers and reference studies, to apply in their own field. Through the presentation of some scientific paper works and IT&C culture promotion, necessary for a functional market economy, the review intends to be a favorable space for debates and a challenge at the same time. Any study or opinion that can contribute to the development of the understanding degree of the IT&C as a science is welcome. JISOM encourages cross-disciplinary research work of Romanian and foreign scholars.

Author Information

The editors invite submissions of articles that deal with important issues in IT&C domains. All submitted manuscripts must be original work that is not under submission at another journal. A resubmission of a manuscript that was previously rejected by the JISOM will be immediately desk rejected. Manuscripts should not exceed 9,000 words and must conform to the JISOM's style requirements which are guided by The Chicago Manual of Style (14th edition).

Information for authors

Manuscript format:

- Use single column B5 pages, i.e., 176 × 250 mm; Times New Roman, 11-point English font; single line between each typed line of the manuscript; and use the following settings for the margins: Different odd and even, Top 1,5cm, Bottom 2,2cm, Left 1,75cm, Right 1,8cm, Gutter 0cm, Header and footer from edge 1,25cm
- Begin the manuscript with:
 - The manuscript title, capitalized
 - The name(s) of the author(s)
 - The name of the institute and address
 - Abstract
 - Keywords 5 – 8

The original or technical works can be sent to be published either article form or short communications in English, including the authors' names and affiliations, telephone and e-mail address. The technical conditions for the articles to be presented can be found at <http://JISOM.RAU.RO> in the "Peer review section. All submissions should be sent to the journal Editor:
